Agenda

- ☐ Welcome
- ☐ Discuss and Review the TSSP and LAND Trust Plan

Minutes

- ☐ The council received a PDF copy of the TSSP and Trust Land plan last week. We went through the TSSP and Trust Land plan.
- ☐ Maxxwell Starks proposed that we eliminate the "At least" wording as part of the math, science, and enrichment goals. The council agreed.
- ☐ We discussed the inclusion of second grade as part of the enrichment goal. Mandy Mathie identified that the challenge with including second graders is that there are very few current enrichment opportunities for them, which makes a goal of 70% quite high. It will mean that the other grades, especially fourth, fifth, and sixth, will have to have a much higher percentage than 70% to make up the

difference for the inevitable low percent of second graders. We discussed this concern. It was suggested that we include in the action items an addition to promote the creation of new enrichment opportunities, especially targeting the lower grades. The addition was supported and approved by the council.

- Rebecca Nielsen moved to adjourn. Devré Carter seconded. The motion passed and we adjourned.
